## SECTION F: FOOD AND DRINKS

[F\_INTRO] The next questions are about food and drinks.

[PARENT/CAREGIVER] GO TO F1.  
OTHERWISE GO TO F3\_INTRO2.

F1 We would like to ask you about the availability of foods and drinks, in your home... It includes what is in your cupboard or fridge, and takeaways that you get, to eat here at home.

I am going to show you the computer screen. On the right is a picture of the type of food or drink we want to ask you about. On the left are the options for your answer. You can use any answer option, from 1 to 7.

You would answer 7 if you have that food or drink available every day of the week.

If you have something stored all week, but it would only be served or used, say, 1 or 2 days... then you indicate it would be available for 1 or 2 days.

You answer 1 if you never have that type of food or drink available.

① Press ENTER and share screen with respondent - assist with scale if needed.

① Foods will appear in random order.

① READ EACH DESCRIPTOR.

① Enter reply for each (DK and Ref are allowed).

① Use 'remark' for other answer.

F2 Children like Xxx, may eat some of the foods that are available in their home but not others, or they may eat and drink some less often than others.

I'll show those foods and drinks again and ask you to say about how often Xxx eats or drinks each, from those you get for home. Don't count anything they buy themselves when away from home please. It's just what you provide Xxx from here.

Notice that you get one more answer on this scale, that's answer "8". That's because Xxx may eat or drink one of those twice a day or more often.

Please say about how often Xxx has each of the foods or drinks that you get for home.

- ① Continue to share screen with respondent.
- ① READ EACH DESCRIPTOR - enter reply for each.
- ① Assist with scale if needed.
- ① Enter reply for each (DK and Ref are allowed).
